Demonstrates a renewed appreciation of traditional craftsmanship and the handmade, of the tactility and construction of fabrics of all kinds. --New Design

This purely visual treat of a book, featuring textile, surface and print designs from around the world, will appease lovers of colour, texture and print. --Country & Town House

Unlike many interiors books that arrive from the publisher for review ... this one is a practical encyclopedia ... a beautiful publication ... inspiring in its own way. --Irish Examiner Présentation de l'éditeur

This book showcases textile and surface design by some of the most exciting up-and-coming designers worldwide and points to the future of this vibrant field. It includes illustrative, abstract, geometric, floral, representational and digital designs; and knitted, woven, hand-dyed and digitally printed fabrics. In tandem with the rise of exciting new technologies is a renewed appreciation of traditional craftsmanship and the handmade; of the tactility and construction of fabrics of all kinds. Illustrated biographies introduce 13 of the most significant and innovative textiles designers working today. The book reveals new ways to communicate, experiment and become inspired.
