Présentation de l'éditeur

The only tie-in book for USA's award-winning series MR. ROBOT, Elliot's journal Red Wheelbarrow is written by show creator Sam Esmail and show writer Courtney Looney.

Before and during the events of season two, Elliot recorded his most private thoughts in this journal and now you can hold this piece of the series in your hands. Experience Elliot's battles to gain control of his life and his struggles to survive increasingly dangerous circumstances, in a brand-new story rendered in his own words.

The notebook also holds seven removable artifacts a ripped-out page, a newspaper clipping, a mysterious envelope, and more along with sketches throughout the book. You'll discover the story behind MR. ROBOT season two and hints of what is to come. This book is the ultimate journey into the world of the show and a key to hacking the mind of its main character.

MR. ROBOT is a psychological thriller that follows Elliot (Rami Malek, The Pacific), a young programmer, who works as a cyber-security engineer by day and as a vigilante hacker by night. Elliot finds himself at a crossroads when the mysterious leader (Christian Slater, Adderall Diaries) of an underground hacker group recruits him to destroy the firm he is paid to protect. *Biographie de l'auteur*

Sam Esmail is the creator, executive producer, director, and writer of USA Network's critically-acclaimed and Golden Globe Award-winning series, Mr. Robot. After graduating NYU's Tisch School of the Arts, Esmail attended AFI's directing program where he received his MFA. In 2008, he wrote his first feature screenplay, *Sequels, Remakes & Adaptions*, which landed on the Black List, a survey taken by more than 600 production companies and film financier executives about their most liked screenplays. He followed that up a year later with his second Black List script, *Norm the Movie*. His feature directorial debut, *Comet*, which he also wrote, was released through IFC last year. Courtney Looney is a writer on USA Network's Golden Globe Award-winning series, Mr. Robot. She is a graduate of The University of Texas at Austin's Radio-Television-Film program as well as the Plan II Liberal Arts program. She received her MFA in Directing at the American Film Institute (AFI) in Los Angeles. Looney has worked extensively in the film, commercial, music video, and television industries as a writer, director and producer.
