Présentation de l'éditeur

Lara of Xy and her Warlord, Keir of the Cat, have been through much together. Lara abandoned her lands and people for love of him. She adopted his ways and learned of his tribe. Together they have faced plague and insurgency -- and despite these struggles, they have known happiness and joy. Now they face their most arduous task: Keir must take Lara into the Heart of the Plains, and introduce her as the Warprize to the warrior-priests. She must be tested--questioned, examined, watched--and must find favor with the warrior-priests and the tribe's elders before they will confirm her as a true Warprize. But in Lara's heart there are doubts--for what if she is found wanting? Will Keir give up everything he knows to be with his Warprize?
