Recommended for beginning and intermediate level learners of French. The stories are written for new French learners. However, a basic understanding of French is highly recommended to achieve maximum enjoyment and effectiveness of the lessons. This program is perfect for those who want to brush up on their French language skills.

How will this book improve your French language skills:

Each story is recorded in two different ways: A slow version helps beginners improve their pronunciation and a normal, natural speed for intermediate and advanced learners that trains your ears to understand what is being said. **You receive 4 hours of MP3 audio recording!**

There is **no need for a dictionary**. Each story is broken down with a French and English glossary that introduces you to the words and phrases you might not understand. This comes in handy because there is **no need for the irritating process of flipping pages, continually searching for definitions or translations**.

A vocabulary recap at the end of each chapter allows you to **review what you have read and listened to** so you don't forget the essential words and expressions taught throughout the lesson.

The book contains 15 stories with the following themes: Family, Months, Days, Numbers, Weather, Introduce yourself, House, Nature, Clothing, Shopping, Visiting/Tourism, Weekend Activities, Daily Routine, Describe yourself, Food, Cooking, Jobs and Occupation, At the Train Station.

All stories are written using vocabulary that you could easily use in your day-to-day conversations.

With this book and accompanying audio you can start improving your French today! Biographie de l'auteur
